PRODUCT INFO

FLURO TAPE MEASURE

TWF8M

DESCRIPTION

The Stanway 8m Fluro Tape Measure features a durable ABS housing in a bright fluorescent orange colour, making it easy to spot on the worksite. Its 25mm wide yellow blade features clear metric markings for easy reading and accurate measurements. The three-rivet true zero end hook allows for precise inside and outside measurements. A secure belt clip and wrist strap provide convenient storage and easy access when working, making it a practical everyday measuring tool for trade and general use.

FEATURES

- Durable ABS housing.
- Bright fluorescent orange casing.
- Yellow blade with metric markings.
- Three-rivet end hook for accurate measurements.
- Secure belt clip and wrist strap for convenient storage.
